

BUS TRANSPORTATION – BUS STOPS AND BUS ROUTES

Eligible students will be dropped off at their residence or a designated bus stop. Designated bus stops are selected on a yearly basis in July or August. Bus stops are based on the student's residence and the number of students in a geographical area.

1. Kindergarten: Students who live over one half mile from school or a designated bus stop will be picked up and dropped off at their residence. Older students residing at the same residence will be picked up and dropped off at the same time.
2. Grades 1 through 12: Students who live over one mile from school or a designated bus stop will be picked up and dropped off at their residence.
3. The superintendent is authorized pursuant to the current transportation contract to coordinate bus routes and bus stops and to grant exceptions to policy with notification to the Board.
4. The Board will act as the final hearing authority for requested exceptions to policy.
