

INSURANCE PROGRAM/RISK MANAGEMENT

The MSAD #68 School Board has the responsibility to maintain an adequate insurance program to protect school property against fire, vandalism, theft, or natural causes; to protect the School Board members and employees against general liability resulting from the discharge of their duties; and to offer protection against injury for all employees while acting in behalf of the school. The School Board may also authorize and participate in an insurance program for students and employees. The responsibility of administering the total insurance program shall be delegated to the Superintendent.
