

PROFESSIONAL STAFF SUPPLEMENTARY PAY PLANS/OVERTIME

Teachers who are regularly assigned to duties which require extra time and responsibilities above their basic contractual obligations will receive extra compensation in accordance with a supplementary salary schedule in the collective bargaining agreement. Most stipends will be paid on an annual or seasonal basis, although certain assignments performed at irregular or infrequent intervals may be paid at an hourly rate.

Faculty members to be appointed to extra-compensation positions will be recommended by the superintendent and approved by the School Board. Appointees will be issued a contract for the terms of their extra employment, stating their particular assignment, its duration (not to exceed one school year), and the compensation to be paid.
