

SUPPORT STAFF CONTRACTS AND COMPENSATION

In determining compensation and compensation plans for support staff, the MSAD #68 School Board will take into account the responsibilities of the position, the qualifications needed, past experience of the individual and years of service to the school department.

MSAD #68 school employees will receive a yearly letter of employment to be renewed each year unless notice of dismissal is given or resignation notice of two weeks is received from the employee.

The individual salaries of supervisory personnel who report directly to the Superintendent will be reviewed and established annually by the School Board upon receiving the Superintendent's recommendation and evaluation. The salaries of other support personnel will be in accordance with the appropriate salary schedule.

Annual increments on these schedules will be dependent upon the employee's satisfactory performance in the position.
