

ADULT/COMMUNITY EDUCATION

RSU 68 is a member of the Piscataquis Valley Adult Education Cooperative (PVAEC). The PVAEC offers various programs and courses to meet the needs of adults of all ages who, for whatever reason, have been unable to secure a high school diploma in a regular school program, who need additional training to become more proficient in their chosen occupations, or who would like to pursue interests related to academic, vocational, or leisure activities.

The adult/community education program will provide, at convenient times and at reasonable costs, opportunities for the residents of the school district and surrounding areas to receive instruction in subjects commonly taught in the public schools and in such other fields as may be recommended and approved by the PVAEC Regional Council.
