Elementary News:

Literacy:

Kindergarten: Keep a daily journal! This will cover reading, writing, and word work. Enjoy. Every. Single. Day!

Grade 1 : Read Read Read!! Enjoy your summer but don't forget to enjoy your books as part of that. Please look for your summer school invitation. We will offer summer school for 4 weeks from 9-1. Transportation and lunch are provided as well as reading, math, word work games , science and art! Lots of fun and learning combined.

Grades 2, 3 and 4: Hard to believe another school year has come and gone! Please make sure all book bags are returned. Continue to encourage your child to read all summer long! See you next year!

Math:

Kindergarten, First, and Second Graders: Wow! How time flies while having fun learning all about math! Please keep working with your child this summer to help prevent the "summer slide" that can occur while away from school. Have a safe and enjoyable summer. See you next year!

Third and fourth graders: We have been enjoying celebrating our multiplication success with ice cream parties! Nice work, everyone! Keep practicing over the summer. Be safe and have fun!

Middle School News:

June 8th, 2018

Math: Mrs. Greenlaw

The Middle school students have worked VERY hard this year! I am proud of all their hard work and growth! Please keep working on math skills (good resources are mobymax.com, xtramath.com, buzzmath.com, but any math sites are great! Students should know their login information, or please reach out to their current classroom teacher for that information). Have a wonderful summer!

To my eighth graders....it has been a pleasure getting to know you and watching you grow! You are ALL amazing students and people! I can't believe it is time for you to leave our doors...but you will all do fabulous! Best of luck at FA!

To everyone else...see you in the fall! You are all working so hard, please keep up the great work! I am so proud of you all!
